## **WALKING GROUP**

**FRIDAY 15<sup>TH</sup> MAY 2015**

Colin will lead a walk of 7 miles from Formby to Freshfield, along the coast either side of Formby Point, into the Red Squirrel sanctuary, back inland via the old Fishermans path to lunch in the Freshfield Hotel. The route is on tarmac paths, good tracks, firm sand and short sections of dunes so any sensible shoes and maybe a stick will be fine. We will have a 30 minute break at the halfway point for toilets and to view the squirrels. You may wish to bring a snack and a drink as there are no catering facilities at the halfway point and we will not reach the Freshfield Hotel for a meal and a drink until around 3 pm.

The Wirral Line platform at Moorfields Station will be closed so travel to Central Station and change onto the Southport line for Formby. Trains depart Liverpool Central at 9-53, 10-08 or 10-23, we will wait at Formby for the arrival of the 10-23 train from Central due at 10-52.

## **COMMITTEE MEMBERS**

As many of you are aware, there will be some new faces amongst your U3A Committee once the AGM has been held on 30<sup>th</sup> April 2015. This is due to the fact that our new Constitution has a ruling over how long Committee Members can serve, and therefore some of your present Committee are coming to the end of their period of service. One such long serving Committee Member who will be retiring from the Committee is none other than Brenda George who is our Groups Co-ordinator and I have managed to persuade Brenda to write to you all via this newsletter. Her letter appears below.

I hope to have further input from the other Committee Members who are retiring in the June edition of the Newsletter.

Also in this edition are articles regarding the amazing achievements of two of our present Members. I am sure there are many more of you who have equally amazing achievements so why not let me know? I would love to hear from you.

## LETTER FROM THE LAKE DISTRICT

Dear Fellow Members of Oxton/Prenton U3A,

I'm sorry I will not be at the A.G.M. to say this personally but I would like you all to know how much I have enjoyed serving on this U3A committee.

When I was asked if I would be the Groups Coordinator 5 years ago I did not foresee how good it would be for me personally or with what interesting and enthusiastic people I would be working —Committee Members, Group Leaders and Group members.

Everybody has given me so much support whatever I have asked Oxton / Prenton U3A members have tried to deliver. This has helped to create the friendly, buzzing, group to which I am proud to belong.

My heartfelt thanks to all of you and please keep supporting everything especially new Committee Members in the same enthusiastic way.

Yours Sincerely

Brenda

### **A VERY SPECIAL MEMBER**

We are so very lucky in Oxton & Prenton U3A to have so many interesting and talented members, but it is not very often that one of our members has the honour of being invited to a reception at Buckingham Palace to meet H M Queen Elizabeth II, so I feel very privileged to include an article from that very special member, Kathleen Stansfield ;

**For the 50<sup>th</sup> Anniversary of The Winston Churchill Memorial Trust her Majesty the Queen and the Duke of Edinburgh are hosting a Reception at Buckingham Palace.....and you are invited!!**

To receive such a message left me utterly dumbfounded and at first I thought it was some kind of joke. It was not a joke! The reason for my invitation was that I was a Churchill Fellow having successfully applied for a Travelling Fellowship in 1989.

This year being the 50<sup>th</sup> anniversary not only of the Trust but the 50<sup>th</sup> anniversary of Winston Churchill's death a very special celebration had been planned. This was to invite just 300 of all the 5000 Churchill Fellows over the past 50 years to the Reception on March 18<sup>th</sup> at Buckingham Palace. We will never know who made the selections.

The history and full details of the Trust can be found on their website [www.wcmt.org.uk](http://www.wcmt.org.uk).

The experience was something never to be forgotten.

Passing through close security, I with others went through the magnificent gates of Buckingham Palace through the inner courtyard, into the Grand Hall and up the magnificent marble staircase although owing to my still healing broken hip I was gently led to a hidden lift and almost tenderly led into the Picture Gallery with the amazing collection of Old Masters where Pol Roger champagne was being served by lovely young women and the never ending supply of exquisite canapés.

Then at a given moment we were all 300 skilfully led through to the Music Room where the Queen, Prince Phillip, the Duke of Kent and the Duke of Gloucester stood in line to receive each of the 300.

The Queen looked as always, serene and smiling and her white glove gently touched the tips of my fingers. There was a lovely twinkle in her eye; I suppose she might have noticed that I had a hospital walking stick. Or who knows maybe she remembered that in 1990 on the 25<sup>th</sup> Anniversary of Churchill's death she had presented me with my silver medal at The Guildhall in London. I was so overwhelmed by this second meeting that I walked straight past the three Royal dukes smiling blissfully. I do not suppose they thought anything of it.

Afterward the Royal dukes circulated among us all talking to everyone, including me. I found the Duke of Gloucester very jolly and full of interest in everything. Royal Household personnel were at the side of each Royal gently moving them on to other groups.

The ladies will want to know "WHAT DID YOU WEAR?" Our instructions were Day Dress but whatever you feel comfortable in hats and gloves were not necessary.

I wore black evening trousers slim fit and a simple multicoloured  $\frac{3}{4}$  sleeve top which skimmed my still swollen hip and had a diamante buckle at the V neck. Happily I was able to wear pretty wedge shoes.

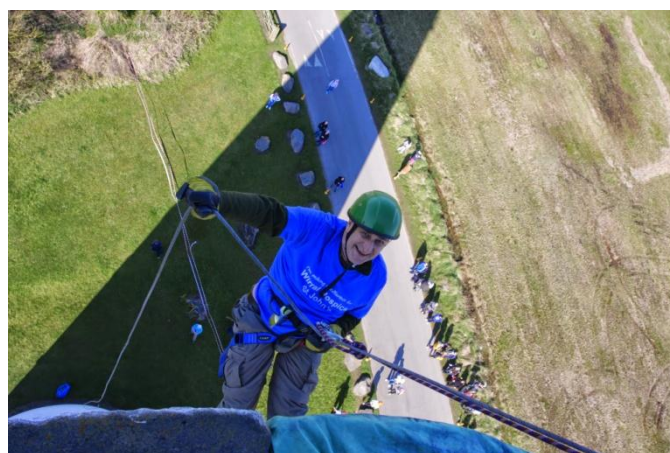

Yes, another very special day to remember.

Kathleen Stansfield
